## "To everything there—is a season . . ."

Yesterday is but a dream  
And tomorrow is only a vision  
But today well-lived makes  
Every yesterday a dream of happiness  
And every tomorrow a vision of hope.

**TIME** is important to everyone. Last June it seemed as though we would have plenty of **TIME** to do all the things we had planned for summer—but **TIME** passed quickly and we found ourselves back in school. This was the last year for some of us; for others it was one step closer to graduation. For all of us this year was a **TIME**—to grow, to contemplate, to observe, to aspire, to develop opinions and attitudes, to keep silent, to speak, to get, to give, to seek, and to find.

This **ANANKE** is the echo of yesterday.

## FEATURES

Final touches on gaily-colored displays, enthusiastic cheers, victory, a crown, a new queen, bright decorations, formal gowns—all these things were typical of the festivities at Mt. Tabor during the school year. The students chose a yearbook queen. The football players chose their queen. Juniors planned the prom. All these features made the 1969-70 school year a great year.

# Beauty stands in the admiration of all

## Miss Ananke Miss Teresa Jones

Miss Ananke is chosen by vote from a select number of senior girls. After nominations have been made by the senior class, the yearbook staff formulates a slate from which the senior class chooses. The honor of Miss Ananke goes to the senior having the highest number of votes. The senior girl having the second highest number becomes the senior representative. Underclassmen are represented by selecting a young lady to be on Miss Ananke's court.

Each year Miss Ananke and her court are presented at a home basketball game. The reigning Miss Ananke crowns her successor in a ceremony presented in the traditional school colors of blue and gold.

Senior Representative, Miss Kathy Edwards.

Junior Representative, Miss Connie Tate.

Sophomore Representative, Miss Julie Covey.

Freshman Representative, Miss Anne Choquette.

**. . . combining  
beauty, talent  
and  
achievement**

It was the evening of October 18, 1969. A silence fell over the audience at the Winston-Salem Convention Center. The master of ceremonies stepped to the microphone and announced, "The new Miss Teenage Winston-Salem is Paula Wesolowski." This was the climax to months of preparation.

The semi-finals were held in the dining room of the Sheraton Motor Inn. Sixteen girls were chosen from the twenty-four candidates. Then came the pageant when the girls were judged in talent and evening gown competition. Five finalists were chosen. These girls answered questions on stage. The judges made their decision and Paula Wesolowski began her reign as Miss Teenage Winston-Salem.

## **Homecoming Queen Miss Debbie Harmon**

The Mt. Tabor Homecoming Queen is chosen by the football players to reign over the fall athletic activities. The students nominate a list of senior girls from which the football players choose the Homecoming Queen.

The five girls who comprise the Homecoming Court are presented during half-time at one of the home football games. The name of the Homecoming Queen is announced and she is crowned by her predecessor.

Excitement was in the air. Old friends met with smiles and tears. Then the Mt. Tabor Spartans entered the football field and the game began. At halftime the Spartans were ahead and all were happy. The sponsors and their escorts were introduced. The name of the 1969 Homecoming Queen was announced—Debbie Harmon. The game resumed and at the end the mighty Spartans had triumphed. Another victory—another queen.

It was only fitting that Camelot should have a king and queen. Danny Turner and Betsy Davis were chosen to reign over the festivities.

For special talents and achievements, several Mt. Tabor students attended special programs during the summer. Ann Reynolds, John Bane and Nick Covey attended the Governor's School. These students specialized in the fine arts: ballet, drama, music. Steve Wallenhaupt and David Daniel benefited from National Science Foundation scholarships. David went to Ohio State University to study mathematics. Steve studied chemistry, math and computer science at UNC-Chapel Hill. William Hutchinson scored outstandingly high on the National Merit Scholarship test and qualified as a semi-finalist.

and enjoyment

## ACTIVITIES

The shrill sound of a bell pierced the air as another year of student activities began. Several new clubs—the Math Club, the History Club, the Senior Girls Club—were formed this year. These organizations offered many opportunities for Mt. Tabor Spartans to serve their school and community. Many students enjoyed the Young Life meetings. In the fall, Mt. Tabor students cheered the football team to a victorious season. Winter brought basketball games and Christmas parties. As spring approached, the Spartans planned the Junior-Senior Prom, and the seniors got ready for graduation. The sound of a bell pierced the air as another year of excitement, fun and events came to a close.

By presenting the latest Spartan news and by producing stimulating editorials, members of the **Sword and Shield** staff are able to fulfill the three-fold purpose of a high school newspaper. (l. to r.): Ted Simpson, Gary Miller, Anne Spudis, Jo Anne Sulek, Lee Anne Morgan.

Early in the school year, the Mt. Tabor Literary Society held a poetry and prose contest. The contest was open to all students. Entries were judged by Mr. James Bunn, Cynthia Clontz, Gary Miller and Bob Pfaff. The two winning poetry entries were chosen to appear in the **ANANKE**. Both selections were written by seniors.

### Fulfillment

Hand in hand  
we walk together.  
Mind to mind  
we talk together.  
Heart to heart  
we stand in Love.  
Soul with soul  
we will our love.  
Behold, I needed  
and thus I Love.

CONNIE HOGUE

The main purpose of the Literary Society is to read and discuss a number of books: classical, fiction, non-fiction and modern selections.

The Literary Society has increased its membership fourfold since the '68-'69 school year.

Last spring the Literary Society conducted the first Prose and Poetry Writing Contest. The winning entries and a large selection of poetry were published

in *The Inkslinger's Songbook*. This year the members of the Literary Society conducted two contests with a resulting publication for each. The Fall and Winter Edition of the *Songbook* is published just before Christmas vacation, and another edition comes out in late spring. The winning poetry entry is published in the yearbook.

# All Things Helpless

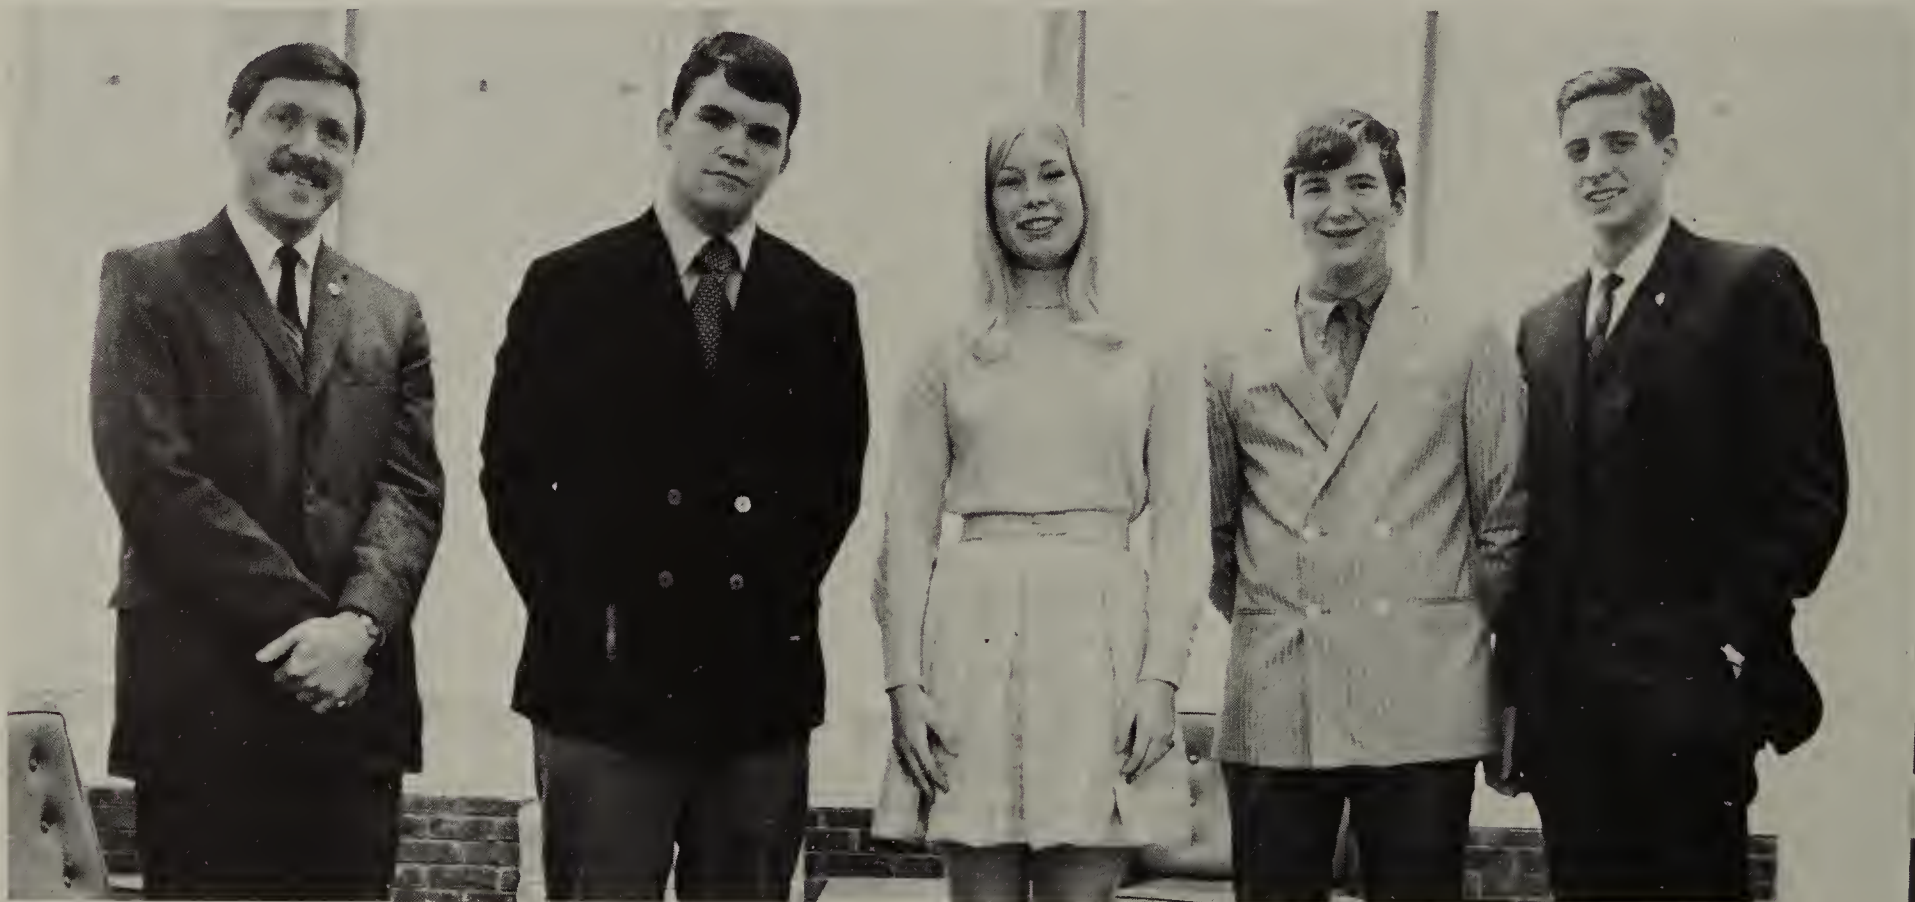

I have seen a young bird  
 On a white cloth upon the grass.  
 He had fallen from a nest, and a man made careful  
 Use of his hands to help him.  
 But the bird froze, after a time.  
 I never knew how he fell,  
 Yet I knew of his death  
 And his little bones and pink neck.  
 Nature is bigger than one life . . .  
 Somehow, though, a bird's song seems different  
 now.

I have seen a young child  
 On a white cloth upon the grass.  
 He had fallen by a hut, and a man made careful  
 Use of his hands to help him.  
 But the child died, after a time.  
 I never knew who shot him,  
 But I knew of his death  
 And his tiny hands and dark eyes.  
 War is bigger than one life . . .  
 Somehow, though, a child's voice seems different  
 now.

In August, the girls performed at the Old-Timers' Game at Ernie Shore Field. On December 7, the Marionettes marched in the Charlotte parade. The drill team also appeared in the Shrine Bowl for the North-South All Star Game. Soon after the Marionettes received a special honor when Wake Forest University asked the girls to perform at the Wake Forest-Carolina game on February 5. The National Honor Society's chief aim is to recognize scholarship, leadership, service and character in Mt. Tabor's students by inducting the juniors and seniors most outstanding in all four of these qualities. Although it is an honor organization rather than a service club, the Honor Society is also intended to encourage these attributes in the

whole student body. Therefore, it engages in such projects as tutoring underclassmen for final exams.

This year for the first time Mt. Tabor's Honor Society Chapter sent delegates to the state convention of the National Honor Society.

## ATHLETICS

The quarterback throwing a pass, the basketball player racing down the court, the track man speeding toward the finish line, the baseball player hitting a grand-slam, are all striving for victory. Participation in sports offers the student a chance to build skill and sportsmanship, to develop strength of character and to learn to work with a team. Athletics offer a chance for personal fame and achievement as well. Athletics are an important part of school life.

# Spartans roll over Titans.

The 1969 football season was one of intermittent victory and defeat. The Spartans finished another successful year with a 6-4 record despite a series of injuries to many of our key players.

Mt. Tabor, led by Sam Morgan, Ronnie Hoots, Jim Guill, and Kenny Lawson, started the football season with successive victories over Elkin (9-7), Reidsville (20-14) and Andrews (14-0). Hit hard by injuries, the Spartans experienced their first defeat which was to Morehead (0-22). In a spectacular team effort Mt. Tabor bounced back by defeating East Randolph (31-6). However, the following week, riddled by injuries, the Spartans fell to Madison-Mayodan.

The Spartans then prepared to meet their cross-county rival, West Forsyth. With many of the key players still supported by crutches, Mt. Tabor put the Titans down with an excellent ground attack which was led by Morgan (41-14). The Mt. Airy game was perhaps one of the best high school games played this year. The Spartans played well but lost in the final minutes of play (14-22). Mt. Tabor lost one of its last two games to Forbush (3-14), but ended the season on a positive note with a victory over Starmount (41-6)!

## Junior Spartans show promise

Victory! That's the word to describe the Junior Varsity football season. With a record of nine wins and one loss the JV's had the best record yet of Mt. Tabor's junior varsity. The boys came in second in the conference.

The defense allowed only four points per game, the best in the conference. Defense was led by Will Poindexter, Bobby Sparks, Bill Miller and Ken Hauser.

Steve Overby was the high scorer of the offense. Jim Cranford and Court Nicks also played well offensively.

The games against Mt. Airy and Elkin were especially exciting. Mt. Tabor's Junior Varsity team was the only team to beat Elkin. Elkin's team had a thirty-three game winning streak. Our Spartans broke Elkin's winning streak in an exciting game: Mt. Tabor 14—Elkin 12. In four games, the JV's scored crushing victories. Twice the team scored over 50 points.

Second row: Bill Parsley, Rusty McMillan, Tommy Gizinski, Jim Guill, Randy Thompson, Jim Pulley, Charlie White.

Our team this year is very small and inexperienced. The conference we are playing in this year is definitely one of the toughest in the state. Despite our record this year our boys have worked extremely hard; in times of adversity they have never quit. Coach Pardue said he never coached a group of young men who have given any more of themselves than this team has. They've amazed Coach Pardue with their ability and intestinal fortitude to bounce back after a defeat and give 100 per cent. We've had several boys who have contributed a great deal to this team: Gregg Bennett, Mark Allen, Mike Jeziorski, Jim Guill, Denny Hurley, Tim Stevenson, Dean Roberts, and Steve Thornton. All of our players have made their contributions. It's a team that absolutely will not, and has not, quit. When a team give a 100 per cent game a coach cannot ask for any more.

The Junior Varsity basketball team under the leadership of Coach Morris played many outstanding games. The team learned to work together, to accept challenge, victory, and defeat. The Spartans over Reidsville, 70-59, was one of the best games. Even though the Junior Varsity team was defeated by Morehead, 53-52, they played a fine game. The team has many outstanding players: Bob Hurley, David Thornton, Trippy Gentry, Mike Toma, John Shelton, Wes Morgan, Sam Bickford, and David Roberson. ## CLASSES

We have been taught, guided and advised. The freshmen learned what it meant to go to a senior high school. The underclassmen began to explore a vast realm of knowledge and to realize how little they really comprehend. All students gained strength of character and the ability to choose the direction for success.

The seniors have conquered their doubts, chosen their goals and are preparing for their future when they will be participants, not just spectators, in society.

## FACULTY AND ADMINISTRATION

**TIME** to teach his classes, sponsor clubs, and guide students; **TIME** to plan his classes, to meet with parents; **TIME** to be patient, to be determined, and to instruct—these are the duties of a teacher.

The faculty strives to impress upon us the importance of education. They work to enforce the rules and to promote school spirit.

## Advanced Biology teaches scientific method

Science education provides the opportunity for students to learn, to achieve and to relate the need for discipline in learning. Science teaching provides the tool by which students can apply scientific principles to their lives in coming to an understanding and development of desirable attitudes and interests. Mt. Tabor offers Biology and Advanced Biology.

Mr. Adams instructs students in the use of the compound microscope.

Mr. Webster is unhappy about giving tests in biology.

Harold Edwards enlists the help of Mr. Hunter on a physics problem.

Mrs. Sutton begins the period with instruction in Charles' and Boyles' gas laws.

## Lab sciences apply conceptual foundations.

The laboratory is very important in providing the educational climate for students to put into practical use concepts taught and learned. The laboratory is an integral part of the physical sciences. Mt. Tabor offers courses in Physical Science, Chemistry and Physics.

## Literature in expression.

The members of the Mt. Tabor High School English Department are striving to help each student develop to the best of his ability some degree of proficiency in the basic communicative skills of reading, writing, speaking and listening. We contend that the student who possesses a functional knowledge of these skills will be better prepared to perform as a well-adjusted, useful member of society. For students with a special interest, such electives as journalism, world literature, and advanced composition are offered.

The Social Studies Department of Mt. Tabor hopes to make students aware of the social world around them and how it relates to each individual. We hope to achieve this through studies of political systems, world cultures and history.

The aim of the Mt. Tabor music department is to instill in instrumentalists the ability and desire to play good music well by adding to their technical and general musical skills.

The goal of the drama department is to train a group of students to operate backstage effectively and to perform onstage credibly.

The aim of the journalism department is to publish a school paper which has a decided influence on the social and academic happenings of this school—a paper that does more than merely reflect what has occurred.

# There is a TIME for all things to end.

"What is **TIME**? The shadow on the clock,  
The running of sand,  
Day and night, summer and winter,  
Months, years, centuries.  
These are but arbitrary and outward signs,  
The measure of **TIME**, not **TIME** itself.  
**TIME** is the life of the soul."

# "Tomorrow and tomorrow . . .

The following people have made the 1970 ANANKE possible.

We, the staff, owe a great deal of thanks to:  
Murph's Camera Center, our photo processor and supplier,

The faculty and staff of Mount Tabor High School,  
Mr. James R. Adams, yearbook advisor.

Mr. Doug Pruden, layout artist,  
Roberson Studios, student pictures,  
Holyfield Studios, feature pictures,

The Mount Tabor High School Student Body.

Your ANANKE is printed on Dull Enamel paper 8½ x 11 trim size. It is bound by a Universal lithograph cover. The type is Metrolite with bold. The headlines are English Bold. The book was published by Hunter Publishing Company, Winston-Salem, North Carolina.

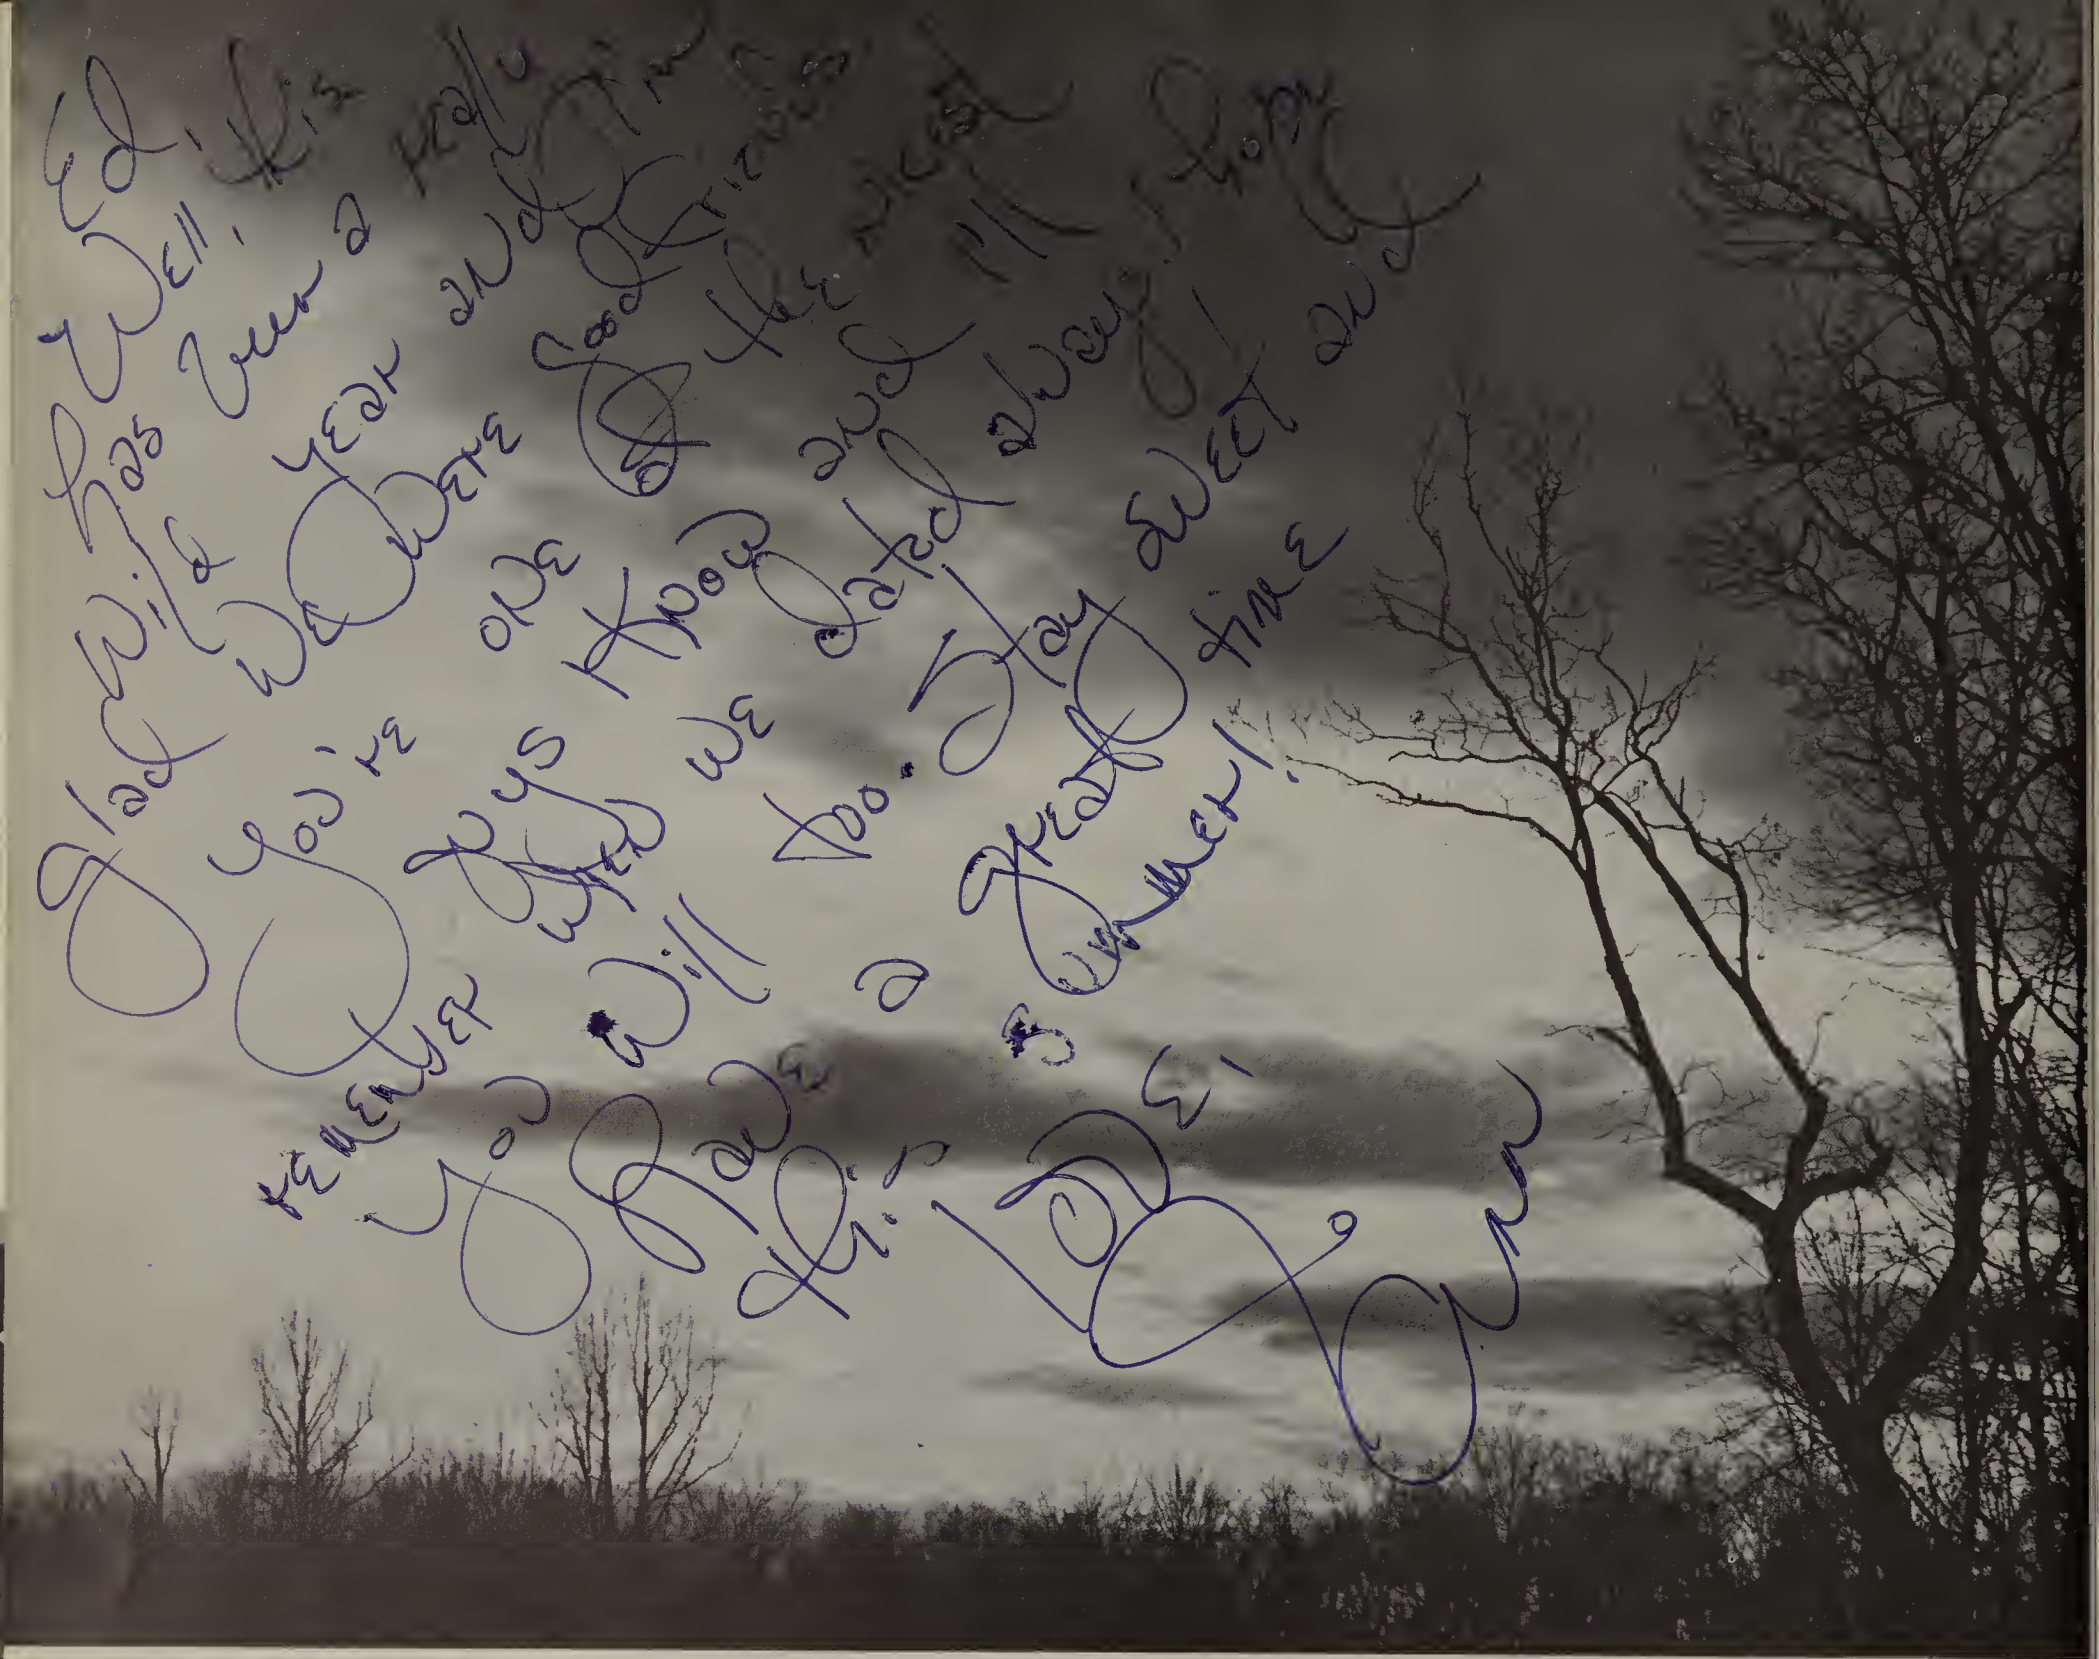

. . . until the last syllable of recorded TIME."

Bledsoe  
(big picture!!)

Your ANANKE is an attempt at a history book. It is certainly not a stuffy, date-filled chronological index, but a cheerful reminder of what your year has been. Through the use of this yearbook you can recall the events that have made this year so memorable.

The yearbook is probably most important to the seniors. It is the last link with their alma mater. This has been a brief year and the ANANKE will help to remind them of the times that have meant so much. To the underclassmen it is a look at the past, but a past that will be closely followed by yet another year of school until they too become seniors.

It is my sincere hope that you will enjoy your ANANKE and that each time you look at it you will have memories of the great school you have created, for a school is its students.

Steve Wallenhaupt

It's all over now, the yearbook is finished. In looking back over the past year I'm thinking about more than a thousand hours that the staff has devoted to

the completion of the ANANKE.

There have been some good times, like being excused from class all day to direct photographers; sitting in front of the student body with pride during the yearbook presentation of years gone by; and some bad-times, like arguing with the advisor and staff members concerning ideas and layout design, and ripping yearbook covers while cutting open packing cases of last year's yearbook. On the whole the experiences I have gained during the past years have given me a deeper understanding of the student body.

I started working on Mt. Tabor's yearbook in the fall of 1967 as a photographer, advanced to photographic editor in 1968, and finally to Co-editor with Steve in the fall of 1969. Working on a yearbook staff is a long thankless job as all members of the staff will testify.

I would like to take this opportunity to thank everyone involved for their cooperation with the staff in producing the 1970 ANANKE.
